

SCOTTISH AND HOMELESS?

Borderline's vision is that every Scot in London will have a home and receive the support they need to lead a healthy, independent life.

We are the only charity specifically set up to help Scots who are homeless or insecurely housed in Greater London.

Borderline is here for you.

We know it's not just about somewhere to stay. So, as well as helping with accommodation, Borderline provides access to a range of support services including, drug and alcohol misuse, mental health, job support and training, life skills and people who can speak on your behalf.
